(A) Amendatory sub-subparagraph (i) is amended as follows:

(i) Strike the phrase “general outreach and awareness” and insert the phrase “general outreach and awareness activities” in its place.

(ii) Strike the phrase “event by category of covered entity” and insert the word “event” in its place.

(B) Amendatory sub-subparagraph (iii) is amended by striking the phrase “description of outreach” and inserting the phrase “description of future outreach” in its place.

Rationale:

The Committee on Transportation and the Environment unanimously approved Bill 24-1000, the Battery and Electronic Stewardship Amendment Act of 2022, at a meeting of the Committee held on November 17, 2022. The Department of Energy and Environment provided the Committee with additional after the markup to conform certain language with the prior emergency bill and their practices. This amendment incorporates that feedback.
